

Oracle announced on September 8, 2021 -- it will offer [Oracle Cloud Infrastructure \(OCI\) training](#) and [OCI certification](#)\* testing for free worldwide.

The new program includes Oracle's entire expert-created OCI learning curriculum for all skill levels and various IT roles. Through this program, learners have access to all OCI courses, delivered digitally, on-demand, and available in 13 languages.

Oracle is also offering [Oracle Autonomous Database](#) and other certification exams free for a limited time\*.
