Pursuant to RMOUG's [by-laws](#), the Directors must be members of the Corporation and shall be elected for a term of one year at the annual meeting by a majority vote of the members present in person or by proxy.

Ballots will be sent to all current members by **May 3, 2021**. Please be sure to check your email messages. Should you not receive your ballot by **May 5, 2021** please email Peggy King at peggy.king@rmoug.org. Voting will be open from **May 3, 2021, to May 18, 2021**.

The results of the election will be announced at RMOUG's Annual Membership and Educational Workshop on May 19, 2021 (details above).

President's Corner

with Elaine Magnuson

I would like to thank the existing board members for all their hard work and dedication to RMOUG this past year. Even with COVID and being a small team, we accomplished some great and meaningful milestones:

- Introduced the monthly MUG newsletter to keep our members and contacts (associates) informed of events, board activities and interesting articles.
- Provided a successfully and stimulating Virtual Training Day with awesome topics and presenters
- Implemented and designed a new website with email functions, Rocky's Blog, and a Member's Only section.
- Integrated with the new website was an innovative membership data base.
- Co-hosted webinars with Viscosity, one of our sponsors.
- Utilized MS Teams for board member collaboration and document storage.

We have a tremendous group of members that volunteered for the board for the coming year. I am looking forward to see our momentum continue with this new board so that RMOUG can share knowledge and experiences thought events that help our members learn new technology in this ever-changing technological landscape.

Please watch your email for the ballot this coming week and vote for your new board, Register for the annual member's meeting and Educational Workshop on May 19th.

I will not be returning as President; it was a difficult decision as I feel we have made some great strides this past year and was looking forward to another productive year. However, priorities change; my husband and I have decided to become full-time RVers for the next few years. I will continue to support our new board and RMOUG from afar.

Thanks for a wonderful opportunity and an outstanding year.
